Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ashley Place Development III, Limited Partnership as of December 31, 2014 and 2013, and the results of its operations, changes in partners' equity (deficit) and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Expenses and the Schedule of Compensation, Benefits, and Other Payments to the Agency Head or Chief Executive Officer are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE A – ORGANIZATION

Ashley Place Development III, Limited Partnership (the "Partnership") was organized in 2007 to develop, construct, own, maintain, and operate a 28-unit rental housing apartment complex for persons of low and moderate income. The apartment complex is located in Denham Springs, Louisiana. All units of the apartment complex are to be rented under the requirements of Section 42 of the Internal Revenue Code (low-income housing tax credit) which will regulate the use of the apartment complex as to occupant eligibility and unit gross rent, among other requirements. The major activities and operations of the Partnership are governed by the Amended and Restated Limited Partnership Agreement (the Partnership Agreement) and are subject to the administrative directives, rules, and regulations of federal and state regulatory agencies, including but not limited to, the state housing finance agency. Such administrative directives, rules, and regulations are subject to change by federal and state agencies.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

Basis of Accounting

The financial statements of the Partnership are prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Collateralization Policy for Financial Instruments

The Partnership does not require collateral to support financial instruments subject to credit risk.

Capitalization and Depreciation

Land, buildings, improvements, and equipment are recorded at cost. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations using the straight-line method over their estimated service lives as follows:

Buildings	40 years
Furniture, Fixtures and Equipment	10 years
Site Improvements	20 years

Improvements are capitalized, while expenditures for maintenance and repairs are charged to expense as incurred. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the statement of operations.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Tenants' Security Deposits

Tenants' security deposits are held in a separate bank account in the name of the project. At December 31, 2014 this account was funded in an amount equal to the security deposit liability.

Rental Income and Deferred Rents

Rental income is recognized as rentals become due. Rental payments received in advance are deferred until earned. All leases between the Partnership and the tenants of the property are operating leases.

Tenant rent charges for the current month are due on the first of the month. Tenants who are evicted or move out are charged with damages and cleaning fees, if applicable. Tenant receivable consists of amounts due for rental income, other tenant charges and charges for damages and cleaning fees in excess of forfeited security deposits. The Partnership does not accrue interest on the tenant receivable balances.

The Partnership uses the direct write-off method to provide for uncollectible accounts. Use of this method does not result in a material difference from the valuation method required by accounting principles generally accepted in the United States of America.

Amortization

Permanent loan financing costs are amortized using the straight-line method over the term of the loan. Tax credit costs are being amortized over the tax credit period of ten years using the straight-line method. These costs are presented in the Balance Sheet along with the accumulated amortization. Accumulated amortization totaled \$24,633 and \$19,749 as of December 31, 2014 and 2013, respectively.

Lease-Up/Marketing Reserve

In accordance with the Partnership Agreement, the General Partner is to establish the Lease-Up/Marketing Reserve account, which shall be funded, until the beginning of the Operating Deficit Guaranty Period. Disbursements to be charged to the Lease-Up/Marketing will require the written approval of the General Partner and the Asset Manager. As of December 31, 2014, this account has not been funded.

Operating Reserve

In accordance with the Partnership Agreement, the General Partner established the Operating Reserve account, which was funded, out of equity proceeds of payment of the Second Installment. The General Partner shall also be obligated, to the extent funds are available, to replenish the Operating Reserve Account up to the Operating Reserve Target Amount, \$90,158, out of Cash Flow or the proceeds of sales or refinancing in accordance with Section 5.1 & 5.2. As of December 31, 2014 and 2013, this account has a balance of \$91,002 and \$90,898, respectively, which was over the Operating Reserve Target amount both years.

NOTE B -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Replacement Reserve

In accordance with the Partnership Agreement, the General Partner established the Replacement Reserve account, which was funded, at the time of payment of the Second Installment, in the amount of \$300 per unit per year less such amount as shall be required to be set aside for such purpose by any Lender. Withdrawals from this account in excess of \$3,000 in the aggregate in any given month will require the written approval of the General Partner and the Asset Manager. As of December 31, 2014 and 2013, this account had a balance of \$23,371 and \$26,652, respectively. For the year ended December 31, 2014, the required deposits were \$8,400. The Replacement Reserve Account was adequately funded.

Real Estate Tax Reserve

In accordance with the Partnership Agreement, the General Partner is to establish the Real Estate Tax Reserve in the initial amount of \$15,000. The Real Estate Tax Reserve is to be increased from Cash Flow until it reaches the Real Estate Tax Reserve Target Amount of \$30,000. The funds in the Real Estate Tax Reserve are to be used only to pay real estate property taxes if the real estate property tax abatement is no longer made available to the Partnership or if the real estate taxes exceed the amounts shown in the Projections. As of December 31, 2014, the Real Estate Tax Reserve had not been funded.

Income Taxes

No provision or benefit for income taxes has been included in these financial statements since taxable income or loss passes through to, and is reportable by, the partners individually. The time limit for taxing authorities to examine the Partnership's income tax returns is generally three years from the date of filing or the due date, whichever is later, unless civil or criminal fraud is proven, for which there is no time limit.

FASB ASC 360, Property, Plant, and Equipment

FASB ASC 360, *Property, Plant, and Equipment* requires that long-lived assets and certain identifiable intangibles held and used by an entity be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Application of the impairment provisions of FASB ASC 360, *Property, Plant, and Equipment* has not materially affected the partnership's reported earnings, financial condition or cash flows.

NOTE C - CASH AND CASH EQUIVALENTS AND DEPOSITS

For purposes of the statements of cash flows, cash and cash equivalents represent unrestricted cash and all highly liquid and unrestricted debt instruments purchased with a maturity of three months or less.

The interest-bearing and noninterest-bearing accounts, in the aggregate, are insured by the Federal Deposit Insurance Corporation up to \$250,000, in total, per financial institution. Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

Independent Auditor's Report

To the Partners Ashley Place Development III, Limited Partnership Denham Springs, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Ashley Place Development III, Limited Partnership, as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise Ashley Place Development III, Limited Partnership's basic financial statements, and have issued our report thereon dated February 18, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Ashley Place Development III, Limited Partnership's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Ashley Place Development III, Limited Partnership's internal control. Accordingly, we do not express an opinion on the effectiveness of Ashley Place Development III, Limited Partnership's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Ashley Place Development III, Limited Partnership's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Ashley Place Development III, Limited Partnership's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Ashley Place Development III, Limited Partnership's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Ashley Place Development III, Limited Partnership's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
